

EXHIBIT B

Alexandria Division

Defendant.

8. Later that day, Acting Assistant Chief Dennis Andreas instructed me to call Lt. Goodrum and Lt. Patterson and inform them they were not being promoted. I did not want to make these calls because I did not have any information about why they were not promoted and would not be able to answer their questions. I informed my supervisor, Acting Assistant Chief Dennis Andreas, that I believed Chief Hayes to be better suited to have these discussions, but I ultimately ended up making the phone calls myself.
9. Soon thereafter, I learned that, at least a day before reaching out to me for any negative input I had on the lieutenants I supervised, Chief Hayes had already made and formalized the decision to promote Jerry Newcomb to Captain.
10. I became upset upon this discovery because he purposefully misled the lieutenants, myself included. I then sent Chief Hayes the attached email regarding the important of truthfulness in law enforcement. *See* Exhibit B-1.

I declare under penalty of perjury that the foregoing is true and correct.

Subject: Scott Patterson/Delton Goodrum

Hi Jamie:

Delton and Scott are both on the current captain's list for promotion. Both of their evaluations are fine, but since you supervise them, I wanted to know if you know of anything that should preclude them from being considered for promotion to the rank of Captain? If so, would you please submit the reason to me in writing for my file. If not, a reply of no will be sufficient.

Thanks

Chief Don Hayes
